November News 2022

Dear Parents/Guardians,

This month at SJGNS, we celebrated Science Week and we had the annual Team Hope Shoebox Appeal.

We welcomed back Flav who is teaching Zumba to all classes and Ulick is teaching cycling skills and safety to the senior classes.

Along with this, all classes are busy preparing for Christmas.

Important Dates

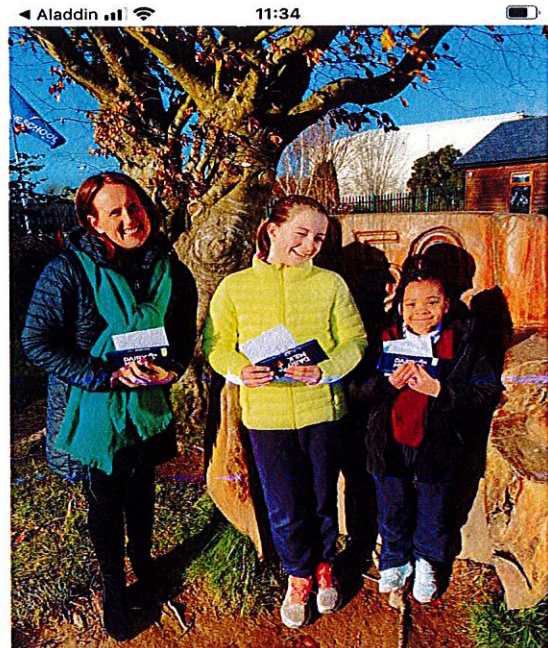

- Carol Singing at Asna Square – Thursday December 8th with 3rd & 4th Class pupils.
- Christmas Concerts for Junior Infants, Senior Infants & First Class will take place in the School Hall on Thursday December 15th starting at 6pm.
- Christmas Jumper Day - Friday 16th December.

Lotto News & Winners

November Lotto Winners

Well Done to this months Lotto Winners

Clonakilty Playground Fundraising

SJGNS helped the Clonakilty Playground Fundraising Initiative with a fancy dress day for Halloween. Thank you to everyone for supporting this local cause.

Oliver –Sacred Heart Secondary School

We were delighted to be invited to see the Sacred Heart Secondary School Production of Oliver.

Congratulations to the cast and all involved in the production of the show – it was an outstanding performance. Well Done also to the SJGNS past pupils involved in the show.

Team Hope Shoebox Appeal

Thank you to everyone who donated to the Team Hope Annual Shoebox Appeal this year.

Science Week at SJGNS

Science Week takes place in schools every November. It allows children the opportunity to celebrate and experience science in our everyday lives.

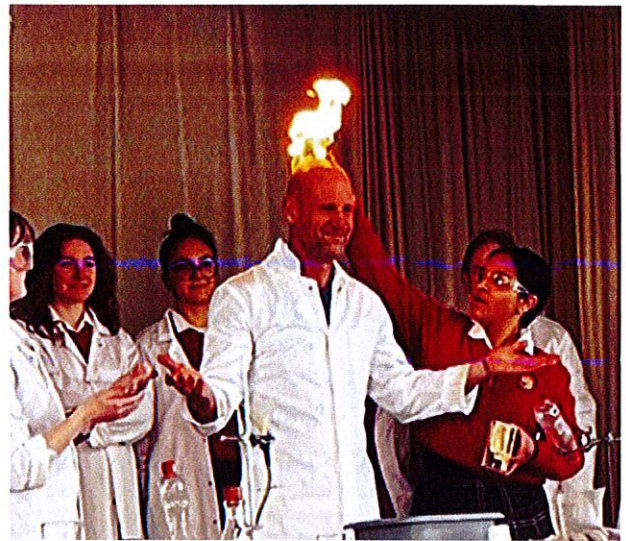

We had a wonderful week thanks to Múinteoir Orlaith who was ably assisted by 5th & 6th Class pupils.

All pupils experienced a very hands on approach to science and had many opportunities to complete science experiments and have lots of fun in the process

SHSS Science Demonstration

To close Science Week, Sacred Heart Secondary School 5th year Physics Class and their teacher Mr. Pegler visited SJGNS for a science workshop.

Other Activities at SJGNS

In November we welcomed back Flav to teach Zumba to all classes.

Ulick has been providing cycling sessions with the Senior Classes.

This gives pupils of all cycling ability the chance to improve their skill and learn about road safety.

5th Class took part in an Introduction to Orienteering at Fota recently. The pupils had a very enjoyable day and put their orienteering skills to good use on the course.

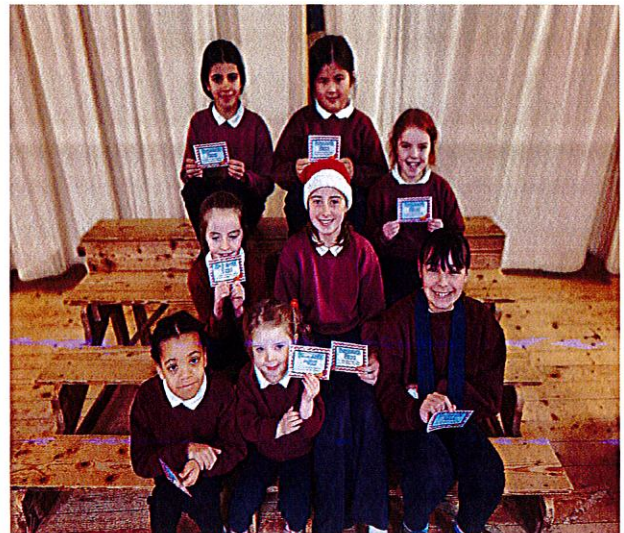

Wellbeing & Kindness

Random acts of Kindness are acknowledged each month at Assembly. Our Student council actively promote kindness and positivity in SJGNS.

Acts of Kindness

This month's recipients of the Act of Kindness Award

Pupils of the Month – November

At assembly this month, the Pupils of the month were acknowledged. One pupil from each class receives this award every month.

Well done to all the recipients.
